

FSRA Scholastic Team Athlete Release Form

Instructions: Before a student in grades 9 to 12 that attends a school with its own scholastic team can participate in another youth club team's activities, this form must be completed and submitted by the releasing scholastic team's representatives. Youth club teams failing to immediately notify the FSRA board of pending requested release are subject to \$200 late release fee. Text of the full bylaw statute is provided below. Releases are not needed nor accepted for middle school students in grades 6 to 8.

The scholastic releasing authority recognizes this release is indefinite and the student released will be competing against their own scholastic team and school classmates.

Article II - Membership

Section 1. Association Membership.

d. A non-Scholastic Association Member Student Athlete team member shall not be in attendance at a secondary school represented by a Scholastic Association Member without prior written consent of the scholastic team's coach, or adult leader in the absence of a coach, and approval of the Executive Committee. Notwithstanding the foregoing, if a Student Athlete's participation with a non-Scholastic Association Member began prior to the formation of the Scholastic Association Member at the Student Athlete's school, the Student Athlete shall be allowed to continue his or her participation with the non-Scholastic Association Member without any limitation and without first obtaining consent from the Scholastic Association Member's coach or adult leader. This statute does not apply to Subordinate Association Members, and athletes participating at a Subordinate Association Member shall follow the same guidelines as Youth Association Members regarding participation.
